

This webpage contains information concerning government funded programs.  
We hope to guide students along their academic by exposing them to available resources.

## INTERNSHIPS/ STUDY ABROAD

### Search Engine(s)

<http://www.internships.com/los-angeles-ca>

### General

These programs offer a mix of internships for undergraduate and high school students. You will need to navigate the websites to find the internship that fits you.

### Campus 2 Career Internship Program

“The NBCUniversal Campus 2 Career Internship Program offers one of the most competitive media opportunities in the industry.” It offers internships in ad sales, business, accounting, human resources, and much more. Please note that the location of the internship varies across the world and travel expenses may or may not be covered.

Each internship has its own eligibility requirements.

### High School

These internships and study abroad programs are solely for high school students.

### Kennedy-Lugar Youth Exchange and Study (YES) Abroad program

The Kennedy-Lugar Youth Exchange and Study Abroad program offers “American high school students and recent graduates full scholarships to study for one academic year in countries with significant Muslim populations.”

Website: <http://www.yes-abroad.org/about/about-us>

Contact Information: [yesabroad@afsusa.org](mailto:yesabroad@afsusa.org) or call (800) 237-4636 extension 2151

### National Security Language Initiative for Youth (NSLI-Y) program

“NSLI-Y...provides merit-based scholarships for eligible high school students and recent high school graduates to learn less commonly taught languages in summer and academic-year overseas immersion programs.”

Website: <http://www.nsliforyouth.org/>

### Congress-Bundestag Youth Exchange (CBYX)

Congress-Bundestag Youth Exchange is a program funded by the U.S. State Department.

As a Congress-Bundestag scholar, your exchange year will include:

- Placement with a carefully selected German host family
- Admission to a German high school
- Pre-departure training in the United States and orientation programs in Germany
- Meetings with government officials
- Cultural excursions to the German Bundestag and select German cities
- Supplementary language lessons upon arrival in your host community

Participants will be responsible for the following costs:

- Domestic transportation to and from the international gateway city
- Spending money for personal use
- Costs associated with obtaining a passport in a timely manner
- Costs associated with obtaining a German residence permit, or visa, as applicable

Website: <http://www.usagermanyscholarship.org/about/>

### Summer College at Cornell University

“Summer College offers academically motivated high school students an unparalleled opportunity to take courses at a great Ivy League university while earning college credit, working closely with internationally recognized faculty, exploring majors and career options, making friends from around the world, and enjoying the great natural beauty of Ithaca and the Finger Lakes region.”

Multiple programs are available for high schools students under the Summer College program. To check out these opportunities go to <https://www.sce.cornell.edu/sc/programs/index.php> for more information.

### Young Ambassador’s Program

“The Smithsonian Latino Center’s Young Ambassadors Program (YAP) is a nationally recognized program for graduating high school seniors that fosters the next generation of Latino leaders in the arts, sciences, and humanities via the Smithsonian Institution and its resources.”

Includes:

- A week long pre-professional and pre-collegiate seminar in Washington, D.C. at the Smithsonian focusing on Latino perspectives with peers from all over the nation
- A four-week interdisciplinary internship program at a museum or other cultural institution in one of 17 cities in the United States and Puerto Rico
- The exploration of careers in the Arts, Sciences and Humanities
- Meeting Latino Leaders
- Enhancement of networking skills and knowledge

- Expenses and Program Stipend
- Meals and accommodations for the duration of the one-week training seminar
- Round-trip travel costs to Washington, D.C.
- A program stipend
